

**BODEGAS ONTINIUM**, since 1962

we strive every day to transmit the richness of our lands, through the care of the vineyard and the production of wine that expresses the typicality of our region. We belong to the D.O Valencia, Clariano subzone. Our winery is located in a privileged enclave in the Vall d'Albadia, with vineyards located in three areas with very different characteristics, which allows us to produce wines with great personality and rich in nuances.

## *Capitán Julián*

Variedad: Chardonnay

Moscatel small grape seed

Region D.O. VALENCIA, subzona Clariano

Alcoholic grade: 12'5%

Service temperature between 8-11°C

This is the first grape that enters our winery. After a very short maceration, the drained must is statically racked (by gravity). It is then fermented at low temperature in barrels and stainless steel tanks.

A wine with Mediterranean character, straw yellow in color, bright with a steely rim. On the nose, the power of chardonnay and the elegance of muscatel with light aromas of vanilla. On the palate, persistent, elegant and full-bodied.

Burgundy bottle, complex capsule and natural stopper.

Ideal with fish, rice dishes, salads and select seafood.

Suitable for vegans
