

**BODEGAS ONTINIUM**, since 1962

we strive every day to transmit the richness of our lands, through the care of the vineyard and the production of wine that expresses the typicality of our region. We belong to the D.O Valtencia, Clariano subzone. Our winery is located in a privileged enclave in the Vall d'Albadia, with vineyards located in three areas with very different characteristics, which allows us to produce wines with great personality and rich in nuances.
